## NEWS ITEMS

### Staff Notes

Professor A. S. P. Woodhouse gave a lecture on "The Nature and Function of the Humanities" at McMaster University on November 23, and at the University of Western Ontario on November 29.

Professor D. P. Kerr addressed the Royal Meteorological Society (Canadian Branch) on "Methods in Paleoclimatology" on November 29.

Dr. J. B. Conacher has succeeded Dr. W. S. Wallace as Editor of the Champlain Society. Dr. Conacher has just edited Du Creux's History of Canada, the most recent publication of the Society.

G. Bennett has resigned from the Department of History to accept an appointment as University Lecturer in History in the Institute of Colonial Studies, Oxford University.

Professor R. M. Saunders gave the address at the sixtieth anniversary of the McIlwraith Ornithological Club in London on December 8. On November 27 Professor Saunders addressed the Women's Division of the Canadian Institute of International Affairs on "The Middle East."

Professor Saunders lectured recently to the officers at Camp Borden in the course organized by the Bureau of Current Affairs. His subjects were: "The Middle East" and "The Significance of the Mediterranean with Special Reference to Egypt."

Professor D. J. McDougall lectured in the same course at the end of November on "The British Commonwealth."

Professor George W. Brown and Professor B. Wilkinson addressed the Armed Forces Conferences on International Affairs held in Toronto December 17-20. Professor Brown spoke on "United States Leadership in the Cold War" and Professor Wilkinson on "The Problem of Peace."

G. C. Paterson lectured on November 14 to the officers of Camp Borden on the general subject of Canada.

Professor D. L. Bailey attended the 43rd annual meeting of the American Phytopathological Society in Cincinnati in December and participated in a symposium on teaching methods in plant pathology.

Professor R. A. Sim was chairman of two recent CBC broadcasts on National Farm Radio Forum on the subjects "Opportunities for Cultural Activities" (November 27), and "Educational Outlets for Adults" (November 4).

Professor B. E. Shore attended the annual meeting of the American Association of Teachers of Slavic and East European Languages of Canada in Windsor on December 27 and gave an address entitled "The Scope of Slavic Graduate Work in Canada."

Dr. V. N. Litwinowicz is giving a series of weekly lectures on linguistics and religion at the Russian Orthodox Church.

Professor L. I. Strakhovsky spoke on "The Satellite States" at Camp Borden on December 4, and on "Soviet Foreign Policy" before the Modern History Club on December 6. He attended the annual meeting of the American Historical Association in New York, December 28-30, and participated in the discussion on "The Origins of the Moscovite State."

Dr. J. F. Heard and Ian Halliday visited the Yerkes Observatory, Williams Bay, Wisconsin, on December 3-5, to discuss problems of Stellar Luminosities with astronomers there.

Dr. V. B. Meen spoke to the Hamilton Association for the Advancement of Literature, Science and Art, at McMaster University, on November 24, on "Solving the Riddle of Chubb Crater," and on November 30, gave an illustrated report on the 1951 expedition to Chubb Crater to the National Geographic Society, in Constitution Hall, Washington.

Professor A. J. Elliot will attend the Pan-American Society of Ophthalmology meeting in Mexico City in January.

Dr. R. R. McLaughlin attended the annual meeting of the American Institute of Chemical Engineers at Atlantic City, December 2-5.

Professor V. G. Smith has been designated by the Federal Government at Ottawa as a member of the International Panel on Applied Mathematics in connection with the International Computation Centre to be set up by UNESCO.

W. M. Walkinshaw is conducting a survey of the water resources of Ontario for the Sanitary Engineering Division of the Department of Health. Funds have been provided by a Federal Health grant for this work which is to supply data on the quality and quantity of the surface and underground water available for municipal and industrial use.

Dr. Arnold Walter took part in the conference on Music in Contemporary American Civilization organized by the American Council of Learned Societies and held in the Library of Congress, Washington, December 12-15. Dr. Walter's "Sonata for Pianoforte" has recently been published by Gordon V. Thompson.

Professor Robert Rosevear conducted the French horn clinic at the Mid-West National Band Clinic in Chicago on December 14.

Professor F. C. Toombs addressed the Graduate Economic Seminar at the Massachusetts Institute of Technology on November 8.

Professor Charles E. Hendry was chairman of a National Planning Committee for the proposed Canadian Conference on the Needs of Children under the sponsorship of 45 national organizations. Professor Hendry presented his final report as consultant on the Cicero race riot at a special conference of national industrial and community leaders in New York on December 13.

Mrs. Josephine D. Chaisson addressed the Provincial Conference of the Canadian Arthritis and Rheumatism Society on November 24, on the subject "The Social and Emotional Problems of the Chronically Ill Patient."

Professor F. N. Hughes was elected chairman of the Canadian Conference of Pharmaceutical Faculties at the 1951 meeting of the Canadian Pharmaceutical Association, in Calgary. Professor D. H. Murray was re-elected Secretary-Treasurer.

Professor G. C. Walker read papers on "Fungicidal and Fungistatic Evaluation of Certain Phenols and Surface-Active Agents," and "Solvent Considerations in Fungicidal Testing" at the recent meeting of the Practical Pharmacy Section of the American Pharmaceutical Association, in Buffalo.

Professor G. R. Paterson presented a paper on "A Short History of Glycosides" to the Section of Historical Pharmacy and the American Institute of the History of Pharmacy, at the annual meeting of the American Pharmaceutical Association.

Dean R. G. Ellis will address the annual meeting of the London-Middlesex Branch of the University of Toronto Alumni Association at London on January 30.

Extramural lectures will be given during January by Dr. G. Nikiforuk before the Niagara Peninsula Dental Society at Niagara Falls, by Dr. F. T. Pearson before the Ottawa Dental Society, by Dr. G. W. Johnston before the Kingston Dental Society, by Dr. A. W. S. Wood before the Elgin County Dental Society at St. Thomas, by Dr. W. J. Ross before the Kent County Dental Society at Chatham, and by Dr. R. S. Woollatt before the Norfolk County Dental Society at Simcoe.

Dr. C. H. M. Williams will address the Erie, Pennsylvania Dental Society on January 16.

## Faculty and Department Notes

The experiment of the Department of French in sending its annual French play on the road was a complete success. The cast of eight, under the direction of Professor R. D. C. Finch, and accompanied by a stage crew, travelled with scenery, properties and original costumes to McMaster University, Hamilton (November 22), to the University of Montreal (November 29) and to the University of Ottawa for two performances on December 1. More than 2500 spectators have enjoyed this performance of Racine's seventeenth century comedy *Les Plaideurs*.

Professor D. G. Ivey conducted a Seminar in the Department of Physics on "Rubber: Relaxation System Unique" on November 29.

On December 7 a group of 14 Air Force officers from the Central Navigation School Summerside, P.E.I., spent the day at the University, visiting the Computation Centre, the McLennan Laboratory and the David Dunlap Observatory.

Haddon King of the Zinc Corporation, Broken Hill, Australia, spoke to the Geological Seminar on November 23 on "The Geology of the Broken Hill Zinc Deposits."

A continuation course for dental graduates in the subject of Cephalometrics is scheduled for the three-day period, January 28-30, and will be under the direction of Dr. Robert E. Moyers.

The Department of History and the Department of Slavic Studies are moving to 78 Queen's Park, the former Holwood Hall, now to be known as Baldwin House.
